

The Oaklands Centre

The Oaklands Centre is a Victorian country house which has been refurbished to provide all the amenities expected of a modern Outdoor Education Centre. It stands in a large area of woodland on the edge of the Snowdonia National Park.

The Centre is run by the Metropolitan Borough of Wirral.

Safety

Safety is of paramount importance at the Oaklands Centre. Staff hold outdoor qualifications at the highest levels.

Oaklands operates within the Wirral Authority's Safety Policy, and is licensed under the Adventure Activities Licensing Regulations (1996)

Twenty years from now you will be more disappointed by the things that you didn't do than by the ones you did do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover.
